ACHIEVEMENTS | REALTIONSHPIS | BELONGING

Dear Parents,

Today, parents and guardians are continuously seeking ways to invest in their child's learning experience, especially over the summer. For 168 years, the YMCA has provided summer day camp programs that reinforce our core values of caring, honesty, respect and responsibility.

At the Y, we know that it is vital that children are engaged in activities in which they are continuously learning and provided experiences that build self esteem. Y summer day camps are designed to accommodate the developmental needs of children K - 5th (kindergartener must be 5 years old) and include programs where children learn about the environment, technology, science, and philanthropy, enhance literacy skills, learn self expression through performing arts, and are physically active.

Our professionally trained expert staff will encourage every child to explore while creating fun and exciting memories that can be lifetime childhood investments. Learning never stops and the fun never ends at a YMCA summer day camp!

Please see your Camp Director for your site's evacuation plan.

FIELD TRIP INFORMATION

In order to reduce paperwork, the field trip agreement authorizes the YMCA Child Care program to take your child on all field trips. We do this, rather than having a separate permission slip go home for every trip and risking confusion, loss, and the possibility of not being able to take your child due to lack of permission. (on registration form) Children will be transported by a bus with a YMCA driver. Parents need to drop off children no later than 9am each day for their child to participate in the day camp. Early pickup on camp days need to be arranged with program directors at least 24 hours prior to that said day. As we strive to plan great field trips for your child, we do understand if you choose to not have your child participate. However, If you do not want your child to attend a scheduled field trip it will be the parents responsibility to make other arrangements.

Parents will be required to contribute a portion of field trip costs.

SPENDING MONEY FOR FIELD TRIPS

To ensure that your child's money makes it to the field trip please do the following:

- Send no more than \$10 with your child at any given time.
- Your child will be responsible for his/her money once it is given to them.

TRANSPORTATION POLICY

Teaching your child safety is one of the responsibilities we feel that we share with our parents. Field trips are an excellent way for us to teach trip safety. Motor vehicle injuries represent the greatest threat to a child's life. Whenever the YMCA of Central Virginia transports children, the parents can be confident that every precaution will be taken to insure your child's safety.

- The insuring of your child's safety is accomplished by being alert to potential dangers, eliminating or avoiding these dangers, and knowing what to do when an emergency occurs. We will never transport more children in a vehicle than we have capacity for. The children will be expected to keep their hands to themselves, and remain relatively quiet. At no time will a child be permitted to put his/her arms, hands or head out of the vehicle's windows. No roughhousing will be tolerated at any time.
- Loading and unloading the children will be done only when the vehicle is pulled up to a curb, the side of the road, or in a driveway, and we will only release them to an authorized adult.
- At no time will an adult DRIVE AND DISCIPLINE AT THE SAME TIME.
- CHILDREN WILL NEVER BE LEFT ALONE IN A VEHICLE.
- On the YMCA buses children sit in age appropriate groups.

DISCIPLINE POLICY

The YMCA believes that punishment is unnecessary but discipline is needed to help children gain self-control. We further believe that children are entitled to a pleasant and harmonious environment at any YMCA Child Care program. Respect for your child will be demonstrated at all times and the same respect will be expected from your child to his/ her peers and the YMCA Staff at all times. Reasonable efforts will be made to guide the child(ren) to appropriate behavior. When disciplinary action is necessary, age appropriate methods will be implemented. YMCA Child Care Programs adhere to all policies and procedures established by the local school systems and by the Virginia Department of Education State Licensing Standards. Although we will make every effort in providing positive discipline for your

child, we cannot serve children who display chronically disruptive behavior. Chronically disruptive behavior is defined as:

- Fighting and aggressive behaviors
- Running from staff and/or hiding from adults.
- Any action that requires our staff to physically move or restrain a child.
- Acting in a way that requires a counselor to spend an inordinate amount of time with them or any other disruptive behaviors that a Director may deem inappropriate.
- Inappropriate language

If a child cannot adjust to the program setting and behave appropriately, then the child may be discharged from the program. There shall be no physical punishment or disciplinary action administered to the body such as, but not limited to, spanking, forcing a child to assume an uncomfortable position, restraining to restrict movement through binding or tying; enclosing in a confined space, box or similar cubicle; or using exercise as a means of punishment. Children will not be shaken at any time. The center will never force or withhold food, nor force or withhold naps, as means of discipline. Toileting accidents will not be disciplined. There will be no abusive language which would include, but not be limited to, threats or belittling remarks about any child or the family. There are clear and appropriate behavioral expectations for the children in our care. We try to set limits, help children understand rules and give clear definitions of acceptable and unacceptable behavior. Children are more likely to follow rules that have been introduced from the beginning.

SUSPENSION POLICY

If inappropriate behavior continues, the site director will notify the parent that a conference needs to be held within 48 hours. At that conference, the director may suspend the child from the Y-child care program for 1 day. A second infraction will result in a suspension of 3-5 days. If the behavior has not improved, the child will be immediately removed from the program and no refund will be given. If the parent refuses to work with us during this process we will be forced to terminate the child from the program. The YMCA has rarely been forced to use suspension from the program. We believe that if the child perceives the YMCA as concerned, involved, consistent, caring, and respectful, and if we exhibit calmness, few words and a firm but kind attitude, the results will usually be positive. We would like to meet the needs of every child in our program but if the YMCA staff feels that it is not a good fit, the child can be terminated immediately.

RECOGNITION FOR POSITIVE BEHAVIOR

- Smiles and praise from the staff
- Positive talks with the parents
- Camper of the week awards

PHILOSOPHY

Discipline is seen as an opportunity to guide campers in their relationships and actions by working with the camper and not against. The best interests of the camper are put first. The goal of discipline is to have the camper control his/her actions and to give the camper

reasonable conscious decisions concerning his/her actions and to give the camper reasonable ownership of the consequence. Campers that show a strong sincere desire to improve will be worked with as long as they are not considered dangerous to themselves or others. Corporal punishment is not acceptable under the YMCA philosophy and policy.

STEP 1: We find out what the problem is. We attack the problem, not the person. When a camper acts out for the first time, the negative behavior is discussed between the counselor(s) and camper until an agreement is reached. If a second time out is given to the child in a single day, an incident report may be written. Parents will be required to read and sign. This form will be kept in the child's file.

STEP 2: We listen to each other. We care about each other's feelings. If negative behavior continues, then the director will become more directly involved.

Once again the behavior will be discussed until an agreement is reached with some possible consequences of breaking the agreement. If a second time out is given to the child in a single day, an incident report will be written. Parents will be required to read and sign. This form will be kept in the child's file.

STEP 3: We are responsible for what we say and do. If negative behavior continues; camper will meet with the director. Parents/ guardians may be called to help resolve the situation. If camper is unwilling to work within set boundaries, he or she will be sent home. If the child

receives 3 written behavior related incident reports, a meeting will be scheduled with the Program Director to determine if the child will be suspended for 1 day. Parents will be responsible for payment of tuition during the time of suspension.

STEP 4: If the child is reinstated in the program and receives a 4th behavior related incident report, the Program Director may suspend the child immediately and recommend further action including discharge without the right of reinstatement.

Note: A system of "TIME-OUTS," redirection and suggestions from parents on what they have discovered works well at home, will be used. Logical and natural consequences will be allowed where applicable. On occasion, our staff will identify behaviors that require disciplinary action.

If a child should exhibit an inappropriate behavior while under the supervision of a YMCA staff person, the following sequence of actions will be taken: The behavior will first be addressed by the counselor with the child, in private. If the inappropriate behavior continues, the counselor will notify the site director and the situation will then be discussed with the parent. The behavior form will be used to document these continuing behavior problems. If a child's behavior jeopardizes the safety of them or others, the suspension policy could be ignored and the child may be removed from the program immediately..

FOOD POLICY

- The partnership with the school system, the Y Camp serves a USDA approved breakfast and lunch as part of the Summer Food Service Program (SFSP). Acceptance and participation requirements for the program and all activities are the same for all regardless of race, color, national origin, sex, age or disability, and there will be no discrimination in the course of the meal service.
- Parents are responsible for providing their child an afternoon snack each day.
- In the event that a parent wants to provide a lunch for their child, it must meet USDA/SFSP guidelines. We ask that you provide lunches in a small cooler or insulated lunch bag to keep them cool and fresh. The lunch needs to be labeled clearly with the date and your child's first and last name. A refrigerator or microwave is not available, so pack your child's lunch and snack accordingly. Please make sure your child(ren) has enough food for the day (2 snacks and a lunch)
- Please refrain from bringing fast foods for your child's breakfast or lunch. Foods from popular restaurants like McDonald's, Burger King and Taco Bell, do not support our mission in building strong kids, strong families, strong communities. No glass bottled drinks are allowed due to safety requirements.
- Children are not allowed to consume soft drinks or high sugar snacks while attending Y Camp. Water is the drink of choice for campers. Please do not send these foods in your child's lunch or backpack. We consider these items to include any type of soft drink (diet or regular), candy, cakes, cookies, punch, sugar- added juices, gum and especially chocolate. Counselors who discover these foods at meal time will be asked to return them home in your child's lunch box with a gentle reminder. Your cooperation will help make meal times pleasant as well as nutritious.

- Although foods containing artificial sugars may be a necessary alternative for children with diabetes or other food related challenges, we do not recommend it for typical children who are trying to develop a desire for healthier choices. We suggest fruits with natural sugar for those with a propensity for sweets. Items such as raisins, popcorn, pretzels, vegetables and dip, or frozen yogurt are just a few of our suggestions.
- We utilize the YMCA Food & Fun Curriculum to help teach children about making good nutritional choices as well as provide hands-on opportunities in the classroom to prepare and eat healthy foods. If you would like more information or suggestions about providing nutritious meals for your family, please let us know and we would be delighted to provide you with support as well as resources. The Y has adopted the Healthy Eating and Physical Activity Standards recommended by YMCA of the USA in order to support our mission
- that each child has a backpack to keep all of their belonging in as well as a laundry basket to keep everything in one place. The basket will be clearly labeled with your child's name on it.
- Please be sure to label all of your child's belongings (swimsuits, towels, lunch coolers, water bottles, etc.) It is expected that the parents will provide proper seasonal clothing, and bathing suit with towel for occasional swimming trips.

BULLYING POLICY

- The YMCA Summer Day Camp has a zero tolerance policy for any sort of bullying (this may include but is not limited to name calling, singling out, hitting, shoving, and aggressive behavior). Zero Tolerance means that your camper may have to be picked up immediately if any sort of bullying occurs. This zero tolerance policy includes parental behavior towards staff. The camper may not be allowed at camp if there is poor behavior from anyone (including parents/ guardians).

PERSONAL ITEMS POLICY

- We have plenty of equipment and activities to keep your child busy. The YMCA of Central Virginia does not consider the use of videos, Nintendo, or hand held games as quality programming. Therefore, it is our policy not to provide or offer those things to children. Exceptions may be made, however, in inclement weather or under special circumstances .
- Please do not allow any toys, video games, iPods or cell phones to accompany your child. This eliminates fights, theft and/or lost items that we cannot be responsible for AND WILL NOT REIMBURSE FOR PERSONAL SPACE is important for every child.
- To make it easier for your child to keep up with his/her personal belongings, we are requesting

NO BABY-SITTING POLICY

- All staff are not to fraternize, babysit or have contact with children outside of the program hours. This restriction extends to transporting of family members to and from the YMCA, or any other function that is not YMCA program related.

REFUNDS/ CANCELLATIONS

Refunds are not available under any circumstance.

CHILD ABUSE PREVENTION POLICY

The growth and development of men, women, boys, girls and families has been the YMCA's principle concern for over 150 years. Through programs of health and fitness, aquatics, sports, camping, parent-child, family programs and child care, the YMCA is responding to the needs of the children and families. Many changes have occurred in the lives of children and families today. Some of these changes are positive; however, the alarming increase in child abuse is of particular concern to the YMCA. Throughout its history, the YMCA has been a strong advocate for the child and children's rights. It is therefore most appropriate that mistreatment or neglect of children and the resulting severe effects would be of primary concern to the YMCA.

The YMCA advocates a positive guidance and discipline policy with an emphasis on positive reinforcement, redirection prevention and the development of self-discipline. At no time will the following disciplinary techniques be tolerated: physical punishment, yelling, striking, biting, kicking, squeezing, shaming, withholding food or rest room privileges, confining children in small locked rooms, or verbal or emotional abuse. Affectionate touch and the warm feelings it brings is an important factor in helping a child grow into a loving a peaceful adult.

However, YMCA staff and volunteers need to be sensitive to each persons need for personal space (i.e., not everyone wants to be hugged). The YMCA encourages appropriate touch; however, at the same time it prohibits inappropriate touch or other means of sexually exploiting children. Based upon its concern for children, parents and YMCA staff, the following standards related to reporting procedures, staffing, standards, code of conduct and resources for parents and children, have been developed.

****Note:** The YMCA, like many other public institutions, is mandated by law, to report suspected child abuse. "CHILD ABUSE is mistreatment or neglect of a child by parent(s) or others resulting in injury or harm. Child abuse may be physical, verbal, emotional or sexual. Its effects may result in severe emotional and physical handicaps, anti-social behavior, even death."

PROCEDURES

1. At the first report or suspicion of child abuse, the staff or volunteer or whom it has been reported, will immediately inform their supervisor.
2. The YMCA will make a report to Child Protective Services and will request that the situation be investigated.
3. In the event the reported incident or suspicion involves an employed staff person or volunteer, the responsible executive director will suspend the person from all responsibilities, and if appropriate, without pay until the investigation is complete.

5. All staff members and volunteers must be sensitive to the need for confidentiality in the handling of information in this area and are therefore instructed to only discuss matters pertaining to abuse or suspected abuse with their supervisor.
6. YMCA staff and volunteers may not make contact with children or parents involved in a child abuse incident without permission of the branch executive.
7. Whether the incident or alleged offense takes place on or off YMCA premises, it will be considered job related (because of the youth-involved nature of the YMCA).
8. All incidents or alleged offenses will be documented the day of occurrence.

PARENT CONDUCT

The YMCA understands the parent's desire that their child is entitled to a pleasant and harmonious environment at any YMCA Child Care Program. Respect for every child, parent and staff will be demonstrated at all times. Parents are expected to display themselves in a reasonable manner at all times while participating in YMCA Child Care Programs. If it is found that parents are exhibiting inappropriate behavior, disciplinary action will be taken. Children can and will be dismissed from any YMCA program because of the behavior of their parent.

YOUR CHILD'S FILE

Children's files must be filled out legibly and completely. We also must have a copy of your child's physical and immunization records and need to view your child's birth certificate. Any pertinent information regarding your child will be added to their file throughout the summer (ex. Child counseling forms, additional information from parents, additional pick up information).

- No one else except the YMCA staff, our licensing representatives, and yourself will be able to see your child's file.
- We cannot release internal YMCA record keeping documents to any party without a court order.

CHILDREN WITH SPECIAL NEEDS

The YMCA welcomes all children regardless of ability and adheres to all ADA (Americans with Disabilities Act) provisions. However camp is often in areas where terrain and environment can vary. We ask that parents list any special needs on our enrollment forms and contact our camp directors for a meeting to assess if our camps will be a place where their child can be successful. The following questions will be asked, but will not be limited to, in assessing a child's ability to be successful:

- Can the child participate in 1:18 ratios? (state ratio)

- Can the child withstand heat and the outdoors and environmental change?
- Can the child perform toileting functions independently?
- Does the child frequently hide or run from adults?
- Does the child exhibit aggressive tendencies to solve conflict?
- Does the child require one on one attention?

GENERAL RULES

Hands, feet and objects are kept to yourself ALWAYS ask permission to go anywhere Respect counselors and follow rules set by them Be kind and considerate to our day camp friends.

LICENSING INFORMATION FOR PARENTS

The Virginia Department of Education helps assure parents that child day programs that assume responsibility for the supervision, protection and well-being of a child for any part of a 24-hour day are safe. Title 63.1, Chapter 10 of the Code of Virginia gives the Virginia Department of Education authority to license these programs. Standards for licensed child day centers address certain health precautions, adequate play space, a ratio of children to staff member, equipment, program and record keeping. Criminal record checks and specific qualifications for staff and most volunteers working directly with children are also required. Standards require the facility to meet applicable fire, health and building codes. Compliance with standards is determined by announced and unannounced visits to the program by licensing staff within the Virginia Department of Education. In addition, parents or other individuals may register a complaint about a program which will be investigated if it violates a standard.
